Past Students and Friends of
St. Augustine's College
Association

The Past Students and Friends of St. Augustine's College Association welcomes past students, parents, staff and friends of the College into the organisation. Although you have left the school, you are still considered a valuable member of St. Augustine's Community.

Our aim is to nurture existing relationships, renew connections with the school and foster ongoing partnerships to enhance opportunities for new generations of St. Augustine's students.

The Association is open to anyone who wishes to keep in touch with the St. Augustine's College community. This Association is for past students, staff, parents and friends of the College.

A Committee manages the Association and coordinates events for its members that will include reunions and other activities organised by the Committee.

The Association's newsletter will be published twice a year and it will be emailed or posted to all the members.

If you would like to become a member, please complete the membership form in this leaflet or complete the form on the website and email it to Julie: jmulcahy@sakyabram.catholic.edu.au

Membership of the Association is free, but donations to support the aims of the organisation would be appreciated.

Events and reunions

The Association plans a number of special events throughout the year.

We also offer support for those of you who want to arrange your own class reunion. We can help you trace your old friends and give advice on arranging your event.

Visit the website at www.sakyabram.catholic.edu.au for more information and to view a list of forthcoming events.

History of the College

The Association is interested in supporting the development of the College Archives and treasuring the stories of past students, staff, family and friends.

You can also find us on Facebook. Join us to ensure that you keep up to date with the Association and its activities.
