

Uniform Guide

What you need to know

Students are expected to wear full school uniform each day. On days where students are undertaking Physical Education (PE) or Physical Education electives (from Year 9) the student should wear their full PE uniform.

Students should wear either the academic or the PE uniform. A combination of both uniforms is considered out of uniform.

Out of uniform procedure

All parents should provide a note (or email) to their child's TA teacher explaining the reason for their child being out of uniform.

Students in F-4

Parents will receive a notification if their child has presented at school out of uniform without a note. The expectation is that this would be rectified as soon as possible.

Students in 5-12

Students who present out of uniform without a note will likely be required to attend uniform detention (at lunchtime). Parents will be notified of this. The expectation is that this would be rectified as soon as possible.

If any assistance (financial) is required for uniform, parents should communicate this to their child's TA.

If a student presents at the college out of uniform three times or more within a fortnight, parents will be required to attend a meeting at the college to rectify this situation.

When enrolling students at the college, parents acknowledge that a condition of enrolment is to adhere to the college's policies (including uniform) and procedures.
