

Principal's Welcome

Welcome to St Augustine's College, Kyabram.

We are a Foundation - Year 12 College offering a dynamic education that nurtures the spiritual, intellectual, social and emotional development of each student throughout their learning journey.

At the heart of our vibrant community is our Catholic faith. We are inspired by our patrons, Saint Augustine and Saint Brigid who dedicated their lives to following Jesus Christ, with Strength and Kindliness.

Inspired by the Gospel, our College is grounded in the values of Community, Partnerships, Faithfulness, Learning for Life and Human Flourishing.

We believe that every student is unique, with their own strengths and challenges, and are committed to providing a personalised approach to education. We offer a wide range of extra-curricular activities that provide opportunities for students to explore their interests, develop leadership skills and make a positive impact.

We believe that education is a partnership between the school, parents, and the community. We encourage parents to become actively involved in their child's education.

I look forward to welcoming you to our College in person.
